#### FINANCE/ADMINISTRATION MEMORANDUM

2013-18

TO: Honorable Mayor and Members of the City Commission

THROUGH: Kirk Bednar, City Manager

FROM: Carson K. Swinford, Director of Finance

**SUBJECT:** Monthly Department Report - September 2013

#### Financial Reporting

Please find attached revenue and expenditure reports for all City funds for the month of September, as well as major revenue collection reports. These reports explain budget to actual comparisons for the three months of the 2013-2014 fiscal year.

In addition, copies of unaudited management reports for the City's Water/Sewer Fund are attached. These reports reflect positive fiscal year operating results with a cumulative net income of \$756,068 versus \$1,267,921 for the same period last year.

<u>Other Items of Interest</u>. Other matters in which staff members have been involved in the month of September 2013 include:

- Assisting Kraft, CPAs with continued preparation of audit work schedules for the FY 2012-2013 audit. Kraft began onsite audit fieldwork in early October.
- Coordinating and receiving bond proceeds from a successful General Obligation Refunding and Public Improvement Bond issue. As you know, the City received electronic bids from 11 national firms, with bids ranging from a combined true interest cost (TIC) of 2.89 percent to 3.75 percent. The winning public bid for the 20 year, fixed rate bonds was submitted by Stifel, Nicolaus, & Co from Memphis, Tennessee, with a true interest cost (TIC) of 2.89 percent. As a result of the refunding component of the transaction, the City was able to achieve significant combined aggregate annual debt service savings of \$133,877.50, or \$135,746.85 on a net present value basis (8.3 percent of refunded principal). These savings are well above the minimum target of 3% net present value benefit for refunded bonds stated in the City's Debt Management Policy.

Please advise if you have any questions concerning the matters discussed herein or if you desire information on other items.
