

City of Brentwood

AUTOMATIC BANK DRAFT APPLICATION

The City of Brentwood now provides the feature of paying your water/sewer bill and related charges, through automatic bank draft. This eliminates having to write a check each month, as well as the cost of postage or making the trip to our office. The exact amount of your bill is automatically deducted from your checking account on the due date of the billing cycle.

You will continue to receive a water bill each month allowing you to keep your bank account balanced. There will be a memo on your water bill stating the month and day the bank will begin deducting the amount from your account.

WE MUST RECEIVE NOTIFICATION IN WRITING SHOULD YOU CHANGE BANKS OR BANK ACCOUNTS!
