TRAFFIC ADVISORY

State Route 6 / Franklin Road Update

NASHVILLE, Tenn. – The Tennessee Department of Transportation's widening project of State Route 6/Franklin Road is nearing completion and is expected to be complete by the end of this year.

The following work was completed within the last week:

- Paved majority of driveways
- Paved majority of multi-use path
- Placed/completed long-line thermoplastics

The following work is expected to be completed this week:

- 50' of the multi-use path to be paved
- Place topsoil and sod throughout project
- Paint retaining wall parapets

The current lane closure of the outside northbound lane will remain in place while crews pave the multiuse path.

Motorists are advised to plan for extra travel time, and slow down while in a work zone.

From your desktop or mobile device, get the latest construction activity and live streaming SmartWay traffic cameras at www.TNSmartWay.com/Traffic. Travelers can also dial 511 from any phone for travel information.

As always, drivers are reminded to use all motorist information tools wisely and *Know Before You Go!* by checking travel conditions before leaving for your destination. Drivers should never tweet, text or talk on a cell phone while behind the wheel.
